

Create picture graphs (picture is worth more than 1)

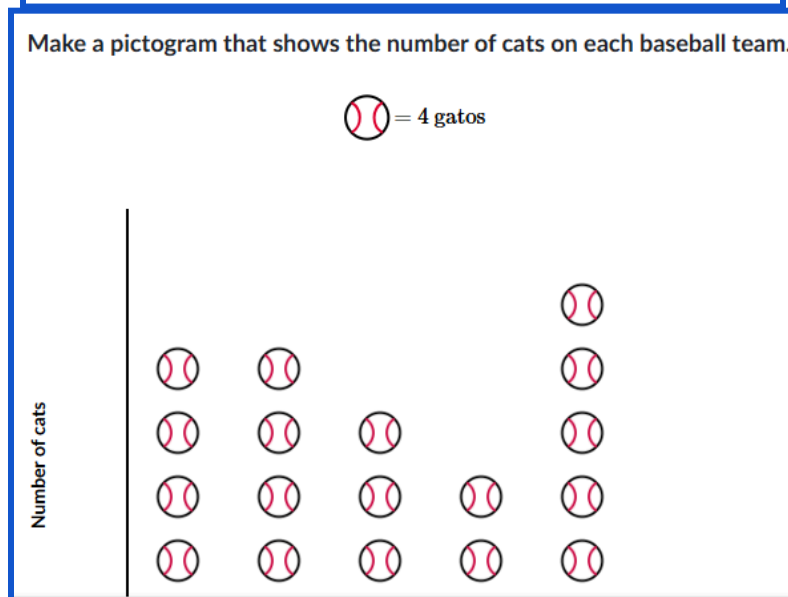

31/01/2025: Create picture graphs, read picture graphs, multi-step problems, 5 minutes quiz, create bar graphs, read bar graphs, multi-step problems, 5 minutes quiz, graphic data with fractions

Zoological

In the pictogram, each

Dodge it elephants.

Read picture graphs

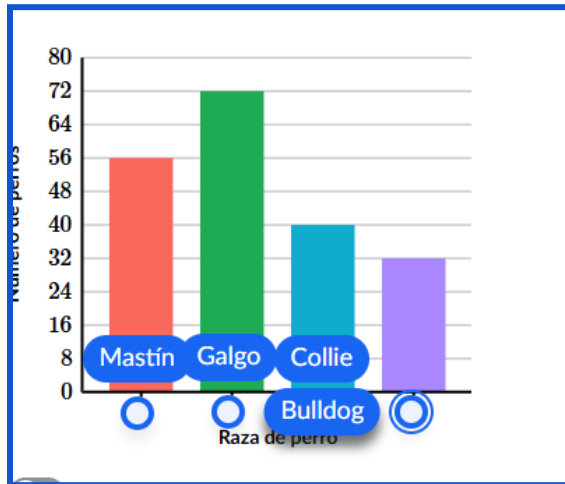

Zoological

Which zoos have more than 5 elephants?

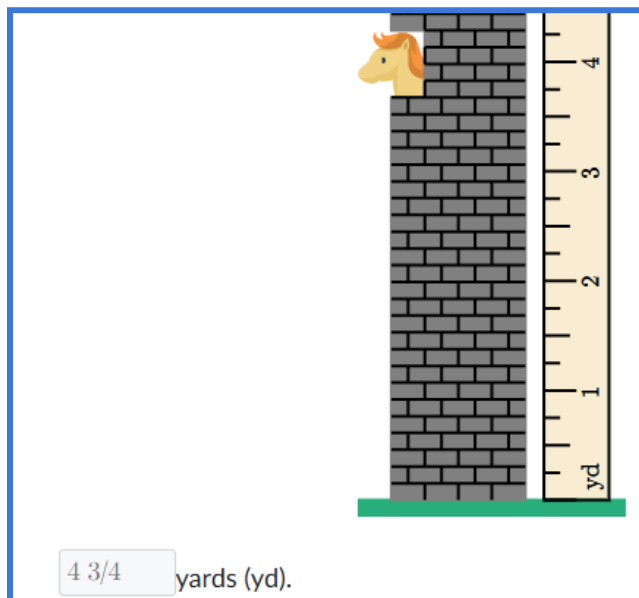

Choose 3 answers:

- ☒ A Zooville
- ☐ B Tusk Town
- ☒ C Safari City
- ☒ D Animal Land

Create bar graphs

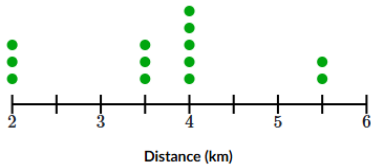

Measure lengths to the nearest $\frac{1}{4}$ unit

Plot data on line graphs

Plot the measurements from the frequency table on the line graph below.
Click on the graph to plot points for each measurement.

Tessa measured the distance from her home to various locations at $\frac{1}{2}$ km nearest.

Distance	Number of places
2 km	
$3\frac{1}{2}$ km	
4 km	
$5\frac{1}{2}$ km
